EXPERIENCE

Arsenault Law Office, Westerly, RI

August 2025-Present

Law Clerk

Prepare legal documents for clients including trusts, wills, powers of attorneys, and more. Organize case files, search public records, and file petitions for probate. Interface with clients, attend meetings, and witness signing of legal documents.

New York Civil Liberties Union, New York, NY

Student Attorney, Legislative Advocacy Clinic at New York Law School

Spring 2025

Formulated campaign plan to pass proposed New York City Council bill to regulate police response to First Amendment events. Established goals, target audience, and strategies for success, and created campaign materials. Evaluated case law, legislation, settlements, and regulations on police misconduct and discipline processes. Drafted amendments to State Senate bill to reflect recent Court of Appeals decisions and include additional provisions to increase police transparency.

National Veterans Legal Services Program, New York, NY

Student Attorney, Veterans' Justice Clinic at New York Law School

Fall 2024

Identified statutory and case law regarding duty to assist veterans and summarized legal arguments. Investigated clients' records and briefed supervising attorney on legal issues. Researched military sexual trauma history, case law and legislation. Advocated for service-connected disability status for client injured during sexual assault while in military service.

Everytown for Gun Safety, New York, NY

Student Attorney, Gun Violence Prevention Legislative Advocacy Clinic at New York Law School

Spring 2024

Analyzed state and federal gun violence prevention legislation. Examined case law interpreting statutes for emergency risk protection orders and constitutional issues. Prepared memos and case summaries for use in proposed state legislation. Drafted legislation about firearm permits, prohibitors, background checks, school safety, safe storage, and more.

City & State, New York, NY

Events, Marketing & Public Relations Manager

January 2019-December 2024

Organized policy forums, nonprofit conferences, political receptions, awards, and networking opportunities. Secured speaking positions for elected officials, policymakers, and industry influencers. Oversaw all event marketing including emails, ad placements, website content, and social media. Created media lists and designed public relations strategy.

Senior Events Coordinator

May 2016-January 2019

Curated event agendas, webpages, and marketing campaigns. Researched policy issues and monitored recent legislation to develop discussion topics. Produced program journals, wrote editorial content, and managed ad collection and placement.

Marketing & Research Associate, NYN Media

August 2015-May 2016

Facilitated execution of nonprofit conferences, including coordinating speaking opportunities and sponsorships. Developed website content, conducted market research, revitalized digital platforms, expanded audience, and analyzed reports.
